A Word About 2019 Tour Registrations

Tour descriptions for the 2019 touring season are up on the Pegasus [website](#). Some are complete with dates and costs while others have a more provisional description soon to be fleshed out. As indicated below, we will again have five (5) domestic tours and three (3) international tours. You can follow the links to most of them. We had so many folks interested in the 2018 Bruges-Paris Tour that we went ahead and chartered a barge again for that tour in 2019. We allowed folks on the 2018 Wait List to transfer their registrations and deposits to the 2019 tour and have now opened registration for that tour to anyone. At this moment there are only **2 spots left**. To reserve your spot **now** for **2019** make sure you register and pay your deposit right away at [Register Now](#). Registration for the other two International Tours: the Amsterdam-Maastricht Bike & Barge and the Maastricht-Luxemburg Ardennes Tour will open in August, 2018. Registration for the 5 Domestic Tours will open in October, 2018.
