

THE BIKE FLYER - A MONTHLY NEWSLETTER

PEGASUS BIKE TOURS

July 2020 Volume 5, Issue 7

We Hope Everyone is Healthy and Well

It so strange to be putting together this newsletter when there is so little to report. Usually it would be full of wonderful tour reports with great witticisms and photographs. It's hard giving up one's passion but we so hope that you are all doing well and still able to get outside once in a while for a fun bike ride. We just have to hope that our leaders can get it together to get a firm handle on this pandemic so that we can get back to some semblance of normal so that we can again join together for a fun-filled tour.

REMINDER: 2021 International Tour Registration Open August 21—August 30

As mentioned in last month's *Bike Flyer*, we are hoping to hold our International Tour registration in late August as we have over the past few years. As mentioned before, next year's tours are the two we had hoped to run this year. Next year's International Tours start with the Bolzano-Venice Tour May 29-June 12, 2021. We are calling this a hybrid tour as it starts as a classic point to point hotel tour for the first week where we ride from the Resia Pass, outside of Bolzano in the foothills of the Dolomites, to the beautiful Renaissance city of Verona. From there it becomes a bike and barge tour as we follow the Minco and Po Rivers and canals from Venice back to Mantua. This will undoubtedly be a tour of a lifetime. Check it out at [Venice](#). Currently there are **6 spots** available for this incredible tour.

Our second tour is the **fixed-based** tour in Ronda in the Andalusian hills of Spain in the southeast corner of Spain along the Mediterranean. This 10 day tour (June 16-25, 2021) includes a bus trip to Granada on our rest day and ends along the Mediterranean in beautiful Malaga. See all the details at [Andalusia](#). This tour has **4 spots** available. Both tours will be limited to 20 participants so you don't want to miss this initial registration period.

As per usual a lottery, if necessary, will be held after August 30th for those tours where the number of registrants exceeds the number of spots available. There is no rush to register right away on August 21st but you do want to be registered by August 30th to be eligible for the lottery.

We will hold our 2021 domestic tour registration in early October as we have in the past. Below are the tours we hope to run in 2021. We can't wait to get back to it!
