2021 Domestic Tour Registration A Great Success!

We expected to get some registrants but we were overwhelmed. Clearly there is a lot of pent-up interest in getting back on the bike and doing a cycling tour. Our Oregon Coast Tour had 40 registrants. We had planned to take only 30 but when we ran the lottery to whittle down the numbers we found that a lot of our favorite people were being left out so we went ahead and accepted everyone who registered. That means the tour is closed and we will not be accepting anyone to the Wait List until the numbers really drop. [Eastern Washington](#) and [Omak 4-Day Tours](#) still have a small number of openings so sign up soon. We know that some of you may be wary of potential hot weather in Eastern Washington in August. Rest assured we will do everything to help you stay cool if the temperatures do get to be high. To be honest, we have had very hot weather in late May/early June and on the other hand, running other tours east of the mountains in August has been quite bearable. The [Omak 4-Day Tours](#) is in mid-September and we may end up with some beautiful fall foliage and temperate days. Be sure to check them out now and sign up before the spots are gone!

2021 International Tour Open Registration Will Be August 6-15!

As you know, we have been able to re-schedule both our Spain and Italy international tours to the summer of 2022. The [Andalusia \(Spain\) Tour](#) will start May 29 and end June 7. The [Bolzano-Venice \(Italy\) Tour](#) has been rescheduled for June 18 to July 2. The itinerary for that one is back to what it was originally, ending in Venice! Click the links above for the expected itineraries for these tours. We have limited openings on both tours and will hold our usual International Tour open registration from August 6 to August 15. If you haven't already, you will want to check them out. They are going to be awesome! We will have to use a lottery if we get more interest than we can handle, so make sure you mark your calendars so that you can register for either or both.
