PEGASUS BIKE TOURS

March 2021 Volume 6, Issue 3

Remember 2021 Domestic Tour Registration Opens March 12th!

It certainly looks like we will be able to get some cycle touring in the second half of this year. With vaccinations becoming more available we believe that most everyone who wants a vaccine should be able to have one by mid-August when we will be leading our first tour. Please remember to save your proof of vaccination card from the CDC which we will check at the orientation meetings for the [Eastern Washington](#), [Oregon Coast](#) and [Omak 4-Day Tours](#). We will again have a 10-day initial registration window (Friday, March 12 to Sunday, March 21). To make sure you don't end up at the bottom of the Wait List, be sure to get your registration in by no later than midnight **Sunday, March 21st**. You can review the Pegasus Registration/Lottery process [here](#).

As to our International Tours, we have been able to re-schedule both of them to the summer of 2022. The [Andalusia \(Spain\) Tour](#) will start at the very end of May and extend into the beginning of June. The [Bolzano-Venice \(Italy\) Tour](#) has been re-scheduled for June 18 to July 2. The itinerary for that one is back to what it was originally, ending in Venice. Click the links above for the expected itineraries for these tours. We have limited openings on both tours and will hold our usual mid-August International Tour open registration period for those two tours. If you haven't already, you will want to check them out. They are going to be awesome!

A Few Openings Left on the COGS Idaho Sawtooth Mountains Tour

As mentioned in our Special Bulletin, sent out in the middle of the month, we mentioned that we are again leading a tour for our local bike club, Cyclist of Greater Seattle (COGS) August 21-29. This year we are leading our very popular Sawtooth Mountains Idaho Loop Tour for them. There are still a handful of spots left. If for some reason you were unable to join us for that in 2019 or had so much fun you want to do it again, we would like to invite you to join us now. Get all the details at: [Idaho Sawtooth Mountains Tour](#). Since this is a club ride, you will need to become a COGS member to join the tour (\$25 individual/\$40 for a family membership). To register, go to the [COGS](#) website and click the **Join Now** link to become a member of COGS. At that point, you can return to the home page and register for the tour.
