PEGASUS BIKE TOURS

August 2021 Volume 6, Issue 8

2022 International Tour Open Registration Will Be August 6-15!

Next year we will again have two international tours! The Spanish [Andalusia Tour](#) and the Italian [Bolzano-Venice Hybrid Tour](#). Both of these tours are bound to be incredible once in a lifetime experiences. They were slated to run in 2020 but with the Covid pandemic were moved to 2022. Both tours have limited openings as many folks who had registered in 2019 for the 2020 tour have stayed on. We currently have about a half-dozen spots open in each. As we have in the past, we will have a ten-day registration period. It doesn't matter when you register as long as it's sometime from August 6 to August 15. We will hold a lottery the week of the 16th of August if we end up with more registrants than spots available. We have had numerous enquiries and we would be surprised with the tours don't fill in that timeframe. Folks who register after the 16th stand a much smaller chance of getting on the tour. Go to the [2022 International Tours](#) tab to register.

2021 Pegasus Tours Finally Get Under Way

We have been waiting a long time to finally be able to say this, Pegasus Bike Tours are back! We start off the delayed tour season with the 20th edition of the [Eastern Washington Tour](#). There are still spots available for a single female and a single male each to share a room with another person of the same gender. We will then host two more tours in September, our Oregon Coast Tour (full) and our annual [4-Day Omak Hill Country Tour](#) (still has openings).

2022 Pegasus Tours

It's not too early to start saving your pennies and marking your calendars for the 2022 Pegasus Tours. We will be offering 5 domestic tours and the two international tours mentioned above. Domestically we will start off the 2022 season in late April with our everlasting Eastern Washington Tour followed a brand-new largely fixed base [North Sonoma County Tour](#). This tour has been created by Dean Karlen and will certainly be worth the time and effort to get to Northern California. California in the springtime is hard to beat! We will then return the Omak Tour to its usual May slot. After returning from Europe we will do two more domestic tours. In August it's the [Idaho Panhandle Tour](#) and we end the season with another brand-new fixed base [Willamette Valley Tour](#). Look for the open registration period in October for all of five of these awesome tours.
