Cancellations on Central California and Belgian Ardennes Tours

We just had a late cancellation due to an injury for our highly anticipated Central California Tour. There is now a spot open for a single male to share a room with same for this wonderful tour that loops north from San Luis Obispo up to Monterey and back down Big Sur and the California coastline. Why not get away from the wet and cold to enjoy SoCal warm temperatures and sunshine. Check out all the details at [California](#).

We also still have a couple of openings due to cancellations on this summer's Belgian Ardennes Tour. This is an incredible tour that starts in southeast corner of the Netherlands and ends up in Luxemburg traversing the Ardennes where so many of the Spring Classics are raced. Check out all the details at [Ardennes](#).

Western Colorado Tour Still Open

Our last tour of the 2019 season is our Western Colorado Tour out of Grand Junction, CO. We just had a couple of cancellations so there are still plenty of openings on this tour. This ride covers some of the most beautiful scenery the Centennial State has to offer. We start the tour exploring the Colorado National Monument with its breathtaking rock formations and views. We will spend a night at the luxurious Gateway Canyons Resort with its world renown car museum. We ride through breathtaking canyons and climb the Dallas Divide on our way to Ouray where we will enjoy a day-off. No tour of this part of Colorado would be complete without a ride through Black Canyon of the Gunnison National Park. We end our tour with a long but gentle climb up to the 10,000 foot Grand Mesa before concluding the tour with an epic downhill back to Grand Junction through fruit orchards and vineyards. There is no better time to cycle the Rockies than September. The kids are back in school, the roads are quieter and the autumn leaves are turning gold. Come join us for the adventure of a lifetime! Announcing Another New Tour for 2020

Ken Condray has been leading tours with us for over a decade see *A Little History Lesson* in the [April, 2016](#) issue of the Pegasus newsletter). We are delighted to announce that he will be leading the first tour of the 2020 season in sunny San Diego in late March, 2020. Discover San Diego is a fixed base tour in which we will experience this beautiful, ocean-side city by bicycle. Our lodging for the week will be in Old Town which is a hub of activity with numerous shops, restaurants, and historical sites. Because it is fixed base, this tour is ideal for a non-riding partner who can enjoy San Diego's numerous attractions while the cyclist participates in the scheduled rides. Look for further details as they become available.
